

Are you looking for a career on Broadway, but you aren't a performer? Have you thought about being a Box Office Treasurer? TDF (Theatre Development Fund) is proud to announce its TKTS Apprenticeship Program. The program is designed to provide individuals who are traditionally under-represented in the Broadway workforce access to comprehensive box office training and full time employment opportunities in one of the world's most well-known ticket selling operations. During your 6 month apprenticeship you will learn all of the ticketing systems used in theatre box offices and sporting arenas around NYC while working in our fast-paced Times Square Booth at the heart of Broadway. You will work side by side with professionals as they serve NYC residents and tourists from around the world. The apprenticeship is full time and salaried, and provides 1/3 of the required hours towards full union membership in the Treasurers and Ticket Sellers Union Local 751. Apprentices will be mentored by TKTS Supervisors. At the end of the apprenticeship, each participant will receive employment interviews with the three major Broadway theatre owners as well as other Broadway theatres. So if you are interested in a career in the theatre service industry, love working with people in an exciting and dynamic profession, and enjoy sales, please go to <https://www.tdf.org/TKTSApprenticeship>. The online application window begins May 20th, 2018 and ends on June 8th. Interviews will be held in June. Questions? Contact TKTSapprentice@tdf.org.

This program is supported in part by funds from Theatre Subdistrict Council, LDC.
